

A technical drawing of a mechanical part, possibly a bracket or a housing, shown in a 2D cross-sectional view. The drawing is centered on a vertical axis. The part has a complex shape with various curves and straight lines. A horizontal line is drawn across the top of the part, labeled 'pre-cut'. A vertical line is drawn through the center of the part, labeled 'center'. The drawing is composed of solid lines for the outer profile and dashed lines for internal features or hidden edges. The text 'pre-cut' is located at the top left, and 'center' is located at the bottom right. The drawing is set against a white background with a light gray grid.

pre-cut
